Banker Addresses Local BPWC Meet

"The dollar will become more stable and be worth more in the future," commented Mr. S. C. Beritzhoff from the Loan Department of the American Trust Co. in San Jose as he spoke to members of Campbell B. P. W. C. at their last meeting. The "kick-off" luncheon of Guide Dogs for the Blind, Inc., was held at O'Brien's January 29th, with Mrs. Edward Nelson, Santa Clara County chairman, presiding. Mrs. Nelson introduced Mrs. Walter Heller, member of the board of directors and vice president of the foundation, and William F. Johns, executive director in charge of the San Rafael training school for guide dogs. Two of the school's teachers were also present at the luncheon.

Tree owners of guide dogs, and their dogs, were introduced and demonstrated the fact that giving a guide dog is no charity but is a far more constructive act, making a normal life for a blind person. "People with guide dogs," they declared, "should not be classed with blind people". Introduced were Miss Calla Gerniece, a dictaphone operator at O'Connor Hospital who commutes to and from her work by bus, and her dog, Lillian. Miss Gerniece has been blind for 23 years—or rather, she says, she was blind until she received her guide dog.

Mr. Donald Lathrop, radio repair man of San Jose, and his dog, Skippy, were introduced. Mr. Lathrop was graduated from an eastern college and from San Jose State College, with psychology his major study. His guide dog went through college with him. Mr. Lathrop, who is married and is the father of a new baby, owns his own radio repair shop, where seven-year-old Skippy assists him.

Third of the trio was Mr. Harrison Alper of San Carlos, who owns and manages his own clothing store with the help of his three-year-old dog Naka. Naka's spirited disposition is like that of his master, who is married and has been blind for seven or eight years.

Mary Lou Britton, young 4-H member who has raised two puppies for the Guide Dogs School, was also introduced at the luncheon.

Campbell members of the service organization, Mrs. Edward Nelson, Mrs. L. V. Brown, chairman for Campbell, and Mrs. J. W. Bailey, county membership chairman, plan to attend the next graduation ceremony at San Rafael.

Campbell Boy Scouts Are Active

Homer Hyde has been selected as a Training Director to organize a Faculty of outstanding trained Scouters of the Campbell District to give Basic training to Scouters of the Campbell District and the Santa Clara County Council. Mr. Hyde has been active in many Scout Activities in this area and has served as District Chairman for three years. The training event which will be held for seven weeks will give all untrained Scouters the basic information they need to carry on a good program. District Chairman Hans Hansell encourages all Scouters to respond when Institutional representatives call on them to register for this course.

Many Units have announced plans for celebrating Scoutings 43rd birthday in February. Moorpark Men's club Pack 24 will have a Blue and Gold Banquet For Parents on Feb. 20th, according to John Dixon, Cubmaster. Quito Park Pack 35 has become so large that it will divide, forming two Packs. One will be meeting in San Tomas under sponsorship of the P. T. A. and will include Pack 30, formerly suspended by the San Tomas Improvement club, the other group will continue under sponsorship of the Quito Center Merchants association. These groups will meet with Larry Hill, District organization Chairman at 7 p. m. on February 12th to effect the transitional Almaden Union. Pack 11 sponsored by the P. T. A. will meet January 28th to re-organize and recharter their pack. The meeting will be at the Almaden Union School. Troop 47, led by Scoutmaster Harry Skold and Post 47, led by advisor W. L. Murphy during the past year, have received papers necessary to extend their charter for another year. C. L. Kesner represents the We And Our Neighbors Club of Union which sponsors these groups.

The next Scouters Roundtable will be held Tuesday, Feb. 10th. Commissioner Charlie Mitchell encourages leaders to put this date on their calendar and plan now to attend.

Your Scout news column can be made much more interesting if each Scout Unit will report their news. Let us know who earns badges, when you have a special activity or hike. Phone news to your Scout Editor at UNion 6-3629. The Community Service Fund Committee met Monday, January

26th. The Scouts are a participating agent in the Community service fund.

Cambrian Mens Club sponsors the "Whole Scout Family" Cubs, 8 to 10, Scouts, 11 to 13, and Explorers, 14 and up. Very few sponsors can boast of presenting a continuity of Scouting over this age range. Leaders of the three units are Allen Keller, Cubmaster, Edward Carman, Scoutmaster, and Martin Farnham, Explorer Advisor. Max Nigl is the mens Club representative on the District Committee for these three Scouting Units. Leslie Norberg, Club President of the past year has promoted the continuance of this program and Club President Olin Shanrock has indicated that plans are being made for registering this "Scout Family" for another year. Thirty adults are needed to man the three units with proper leadership and Scouters and parents will be active during the month of February lining up leadership for the new Charter year. Anyone interested in helping should contact the committee.

Scout Patrols are busy practicing their First Aid problems for the First Aid O'Ral to be held Friday, Feb. 13th in the Girls Gym of Campbell High School and Dr. W. B. Morrell, Health and Safety Chairman reports that a full corps of qualified judges has been selected to handle the judging.

Al Smith, Camping Chairman, wishes to congratulate the Kiwanis Club troop, which is the first troop in the council to sign up for summer camp. Which unit will be next? The camp will run for 7 weeks. Troops planning to attend should have a parents meeting and register now, as only 100 scouts can be accommodated each week. Troops attending Camp High Sierra for a week can either do their own cooking and pay a registration fee of \$2.00 per Scout per week or eat in the dining hall for a total fee of \$15.50.

CAMPBELL HI-LITES

by Bob Olson

School spirit is more evident at Campbell High this year than ever before. We heard someone down town the other night suggest that "Well, everybody always wants to jump on the bandwagon of a winner." We disagreed with him suggesting that it's just the other way around. We've got winners this year because of the spirit and not spirit because of the winners. If you were in the gym for the Lick game last Friday night, you know what we mean. Did you ever see a group more enthusiastic about its

representatives out on the floor? A basketball player is bound to outdo himself with that "Let's go, Campbell High, let's go!" ringing in his ears. And the nice thing about our rooters is that they follow the team wherever it goes so that no floor is completely strange. Two weeks ago at Mountain View it was hard to tell which was the "home team" because so many Campbellites were cheering the Buc's. As long as this kind of spirit lasts, we won't have to worry about winning streaks.

Campbell's Future Farmers heard a helpful talk by Mr. Beckley of the Agriculture Extension Service of Santa Clara Valley last week. He gave them advice on permanent pasture planting for beef cattle which does the fellows will

use in planting their permanent pasture out on the school farm where they'll feed and raise their steers for the County Fair. The boys will also build a combination implement shed for tractors and tools, and a steer shelter with corral and feed room. We talked with some of these "future farmers" in our classes and were impressed with the wide range of knowledge an earth worker needs today. For example, Eddie Long, a serious junior in our history class, knows more about soil erosion than the teachers knew in our days in high school; Eddie preaches some sort of conservation every time he sights an opening.

Campbell's FFAers now have their own basketball team which is now competing against other FFA chapters. Louis Nunez, Gary

Mellotte, Charles Nigl, Richard Calloway, and Mike Horto are among those shooting baskets as well as filling them.

Campbell High's Noon Time Activity Group under the leadership of Mr. Willard LeCroy were lucky enough to find an old movie that hasn't yet been seen on TV. As a result every Wednesday an auditorium full is thrilling to "The Spider's Web" with Iris Meredith just as other kids did twenty years ago. Fifteen chapters and each more unbelievable than the last!

Mrs. HERMAN BUSACK of Burrows Road returned home a week ago from the San Jose Hospital where she underwent an eye operation for cataract. Mrs. Busack is recuperating

BUCS ATTACK SANTA CLARA TOMORROW P.M.

Santa Clara High School had better stand by to repel boarders for tomorrow afternoon and evening, Campbell's Bucaneros intend to attack in three different phases. Buc strongmen grapple at 3:15 p. m.; Buclet cagers skirmish at 7:30 p. m. and varsity hoopsters enter the fray at 8:30 p. m.

Stinging from a 33-42 defeat at the hands of Mountain View last Friday, which broadened the SCVAL basketball race into a four-way tie, Buc cagers hope to chart a winning course from here on out.

Buc wrestlers hope to tack up a panther skin, after engaging Santa Clara tomorrow afternoon. Fresh from a complete rout of San Lorenzo last Friday (42-3 and 42-2), wrestlers feel they have hit their stride. At the Gilroy invitational wrestling tourney, January 24, Campbell grunt and groaners won five first and two seconds over James Lick High. Participating schools were Lick, Salinas, Gilroy, Los Gatos and Campbell.

Bucanero lightweight hoopsters are becoming powerful contenders for little SCVAL honors this year. At last Friday's game with Washington, forward Gil Manriquez's two free throws in the last 15 seconds of an overtime period gave the Bucs their third league win against one setback. Final score was 45-33.

M. in the cafeteria of the Campbell Grammar School on 3rd St. Mr. Walter Grau of the Santa Clara County Taxpayers Association will be the principal speaker of the evening. Mr. Grau, who has been actively connected with county tax problems for several years, will discuss Santa Clara County taxes, their source, and the manner in which they are expended. The public is cordially invited to hear this discussion which will be of interest to all taxpayers.

The business meeting will include the election of officers for the Assembly for the year 1953. Mr. Clark Bradley, who is a candidate for the office of State Assemblyman in the 28th district, will also be a speaker at this meeting. Refreshments will be served.

Phone Officials Review Changes

Campbell telephone subscribers can now make use of the faster method of calling Los Gatos and Saratoga by dialing direct just as in local calls, reminded W. E. Williams, Pacific Telephone District Manager.

In reviewing the improvements in local telephone service which went into effect last month, Williams said that at the same time Campbell telephone numbers were changed to new numbers with the prefix FRanklin 8, the method of dialing San Jose was also changed.

Under the new arrangement, Campbell subscribers should no longer dial "7" to reach San Jose and Santa Clara, but should dial the figure "2", wait for a second dial tone, and then dial the number.

In addition to new numbers for Campbell, Saratoga now has new numbers with the prefix UNion 7, and Sunnyvale has new numbers with the prefix REgent 6.

"The new telephone numbers, with prefixes, for Campbell, Saratoga and Sunnyvale, are listed in the new directory distributed last month," said Williams. "To avoid dialing obsolete numbers," he advised, "Throw away your old, green-covered directory and look up all numbers in the new grey book."

Saratoga subscribers, Williams pointed out, can now dial direct to Campbell and Los Gatos, just as in a local call. Calls from Saratoga to San Jose should no longer be made by first dialing the figure "9", but should now be made by dialing the figure "2", waiting for a second dial tone and then dialing the San Jose or Santa Clara telephone number.
